Dear Parent:

I hope that your child is having a great year at Soldotna Prep School. Our teachers have worked hard for many years to prepare themselves for the challenging and rewarding role of providing a quality education for your child.

To that end, I wanted to share with you that our teachers have met all the criteria established by the State of Alaska's Department of Education and Early Development, as well as the criteria established by the Kenai Peninsula Borough School District, to obtain their teaching credentials and hold a teaching position with our school district.

In addition, the teachers listed below have acquired the "highly federally qualified" designation required under the No Child Left Behind Act of 2002. This is a wonderful accomplishment on their parts. You are certainly welcome to request, through your principal, information about the professional qualifications of your child's teacher.
