CHRISTMAS BREAK
12-23-1-7

... From the Principal's Desk

Our first quarter was a great one. We got off to an energetic start with a week of kick-off assemblies with our advisory classes outlining our S.T.A.R.S. system of expectations. S.T.A.R.S. are students who are safe, take responsibility, are always prepared, demonstrate respect, and strive to do their best. The events also included many of the games students will play throughout assemblies during their high school years. Our students have been rising to the new challenges of high school academics and set very high marks during the first quarter while our teachers and staff have worked hard to make classes interesting and the school a warm and welcoming place.

Some highlights for the students this year have been our joint activities with Soldotna High School. We have participated in an opening day assembly, fall sports, a week of homecoming games/assemblies at the high school. Our walks over to the high school continue to be very easy transitions and have had little impact on our instructional time here at Soldotna Prep. Hopefully every was able to attend our Haunted Hallways for Halloween Event. This project was entirely led by the SOHI/Prep student council and was a huge success with over 600 people attending.

Winter activities that are coming up include basketball, winter music concerts, and cross country skiing. We also want to congratulate our student-athletes who participated in fall sports and wish good luck to those currently participating in an activity. I was able to attend at least one of each of these activities and our freshmen represent a bright future for the Stars in the years to come. I am also very proud of our students for their participation in our annual Food Drive as the staff lounge is piles with a variety of food items for holiday meals for families in need. Their generosity is overwhelming and much appreciated.

As we move forward through the Thanksgiving Holiday please help us in keeping your students on track academically. With the many interruptions that surround the end of the 1st semester, the onset of winter, and the added fun of the holidays, this is a very easy time for all students to become distracted and lose focus on their academic endeavors here at school. We will strive to keep them on organized and focused, but please check up on your student via PowerSchool and through communication with your child's teachers.

If there is anything we can do to help your student succeed please let us know and thank you for trusting us with your child's education, you send us a great group to teach and learn with every day!

Thanks!
Curt Schmidt, Principal

Soldotna Prep School Semester 1 Finals Schedule
